GOLDEN LANE IN ST. LOUIS

First Day of the Democratic National Convention to Be Twelve Blocks Long.

ST. LOUIS, June 9.—For their demonstration during the Democratic national convention here, suffragists have adopted as their slogan: "A woman in line is worth ten petitions in the waste basket."

The first day of the convention, Wednesday, June 14, will be suffragists' day.

A "golden lane," twelve blocks in length will be formed at 10 a. m. Lines of women wearing yellow and white sashes will be seated on camp stools along both edges of the sidewalk. Behind them will be a line of women standing. The women seated will carry closed yellow sash parasols across their laps, and those standing will carry their open, to protect themselves and their seated companions from the sun. The women will change places every fifteen minutes.

When the noon whistles begin to blow, the lines will break. Immediately after, members of the Baby Nurses' Association and other organizations interested in baby welfare, will be hostesses at luncheon.

From 1 to 5 during the same afternoon the Women's Council will give an entertainment.

At 6:30 p. m. the Town Club will give a dinner at which visiting suffragists will be speakers. At 8 p. m. the Business Women's Equal Suffrage League will take charge of a

great demonstration on one of the principal St. Louis streets. Business and professional women and all those whose vocations prevent them from having a place in the golden lane will take part.

According to St. Louis leaders, the day as a whole will be a huge demonstration of the solidarity of women for women's interests.

GOLD DISAPPEARS

From a Bank in San Juan, Porto Rico, in a Very Mysterious Manner.

SAN JUAN, Porto Rico, June 9.—Mystery attached to the disappearance of \$25,000 in gold from the vaults of the Banco Territorial Agrícola of this city, which officials of the bank today admitted is missing. The bank authorities have replaced this sum out of their personal funds.

According to a statement issued by the officials, the gold, in five bags of \$5,000 each, was last counted last December. On another counting of cash on April 20 the five bags were gone. They assert that it would have been impossible for anyone outside the bank to have abstracted the money. No one connected with the institution has disappeared or been absent from last December until the date on which the loss of the money was discovered.
